SHAPING NATURE, MOULDING FUTURE

PASQUAL ARNELLA
Barcelona · 1892

Pasqual Arnella is a family business with 130 years of experience crafting products with recycled paper.

Our mannequins are made of paperpaste, a renewable compound that embraces the circular economy from all sides.

We are a team empowered by four generations of people who believe in what we do and how we do it. Because it's all about passion.

3 in 1 system

1 Mannequin = 1 torso + 1 legs display

We designed a special back screw so you can fix the upper part of the mannequin over any 25 mm Ø pipe, as well as the legs, that thanks to our flat joint, you can use them as an independent display.

Hood support

Support system for hoods and headwear, easily removable through tool-free screws and magnets. Create a ghost effect with any of our mannequins.

IN-HOUSE PRODUCTION

Pasqual Arnella has its own collection of bust forms and torsos, but we are specialized in developing customized designs. Our purpose is to provide the perfect solution for a better in-store communication.

We take care of sculpting, moulding and manufacturing, ensuring an accurate follow-up of every project to get the perfect interaction with your brand.

- The appearance (colours, size, shape, surface) of any of our products may vary slightly due to the nature of the material, both from one product to another or from any physical or digital content from Pasqual Arnella.
- The product references and prices that are shown in this catalog and derivatives are for purposes of guidance and do not bind Pasqual Arnella until the express confirmation of an order.
- The prices shown in this catalogue don't include transport costs or any taxes. We will calculate them individually in each case/offer.
